Who holds the Preferred Source contract in a Corporate Partnership?

NYSID is the contractor of record for all Preferred Source contracts including Corporate Partnerships. The NYSID Member Agency and Corporate Partner are considered subcontractors of NYSID. As a result, NYSID Corporate Partners are bound by the same guidelines and responsibilities as NYSID Member Agencies. This includes completing a Vendor Responsibility Questionnaire with the Office of the State Comptroller.

If I am interested in becoming a Corporate Partner, what are the next steps?

All private vendors interested in pursuing a Corporate Partnership with a NYSID Member Agency must first complete NYSID's [Corporate Partnering Questionnaire](#). NYSID will provide, upon request, a list of NYSID Member Agencies in a private vendor's geographic area. Alternatively, a private vendor can visit the Member map on the NYSID website, <http://www.nysid.org/map.cfm> to identify potential members with whom to partner.

After NYSID's identification of a private vendor as a Corporate Partner, having evaluated the considerations above, a [Corporate Partnership Application](#) and [Corporate Partner Binding Agreement](#) is submitted by NYSID on behalf of the NYSID

Member Agency and the private vendor for a specific contracting opportunity to the New York State Education Department, Adult Career and Continuing Educational Services (“ACCES-VR”), NYSID’s oversight agency, for approval as a Preferred Source partnership.

Once approved by ACCES-VR, the private vendor, upon execution of an [Corporate Partner Membership Agreement](#), becomes a Corporate Partner of NYSID for the specified contracting opportunity. Upon completion of the contract, the Corporate Partnership terminates. Each new partnership opportunity requires a separate partnership application and ACCES-VR approval.
